Subject : Book signing event

Dear Mr. Rotschi,

I am the manager of Oester Books, a bookstore in Great River. For the last six months, your book *Fire King* has been one of the most popular novels for teenagers at our store. Some students from Great River High School asked me to invite you to visit us. Would you be able to come and sign books at our store? I know that you were born in Great River and lived here until you were 18. Everyone in the town is very happy that someone from here has become such a famous author. My parents own Lenny's Restaurant, and my father still remembers that you always ordered pancakes when you ate there with your family. The best time for you to come would probably be at the end of November or in the first half of December. The store would probably be a little too crowded to hold an event on the weekend, but we are open until 8 p.m. every day. Perhaps you could come one weekday evening. I'm sure many people would want to give a signed copy of *Fire King* to a friend or family member as a Christmas present.

Yours sincerely,

Jessica So
